Dear Mother and Dad,

We received your letter yesterday. It is always so good to hear from you. The time seems to be just flying by. It hardly seems possible that it has been 17 days since the wedding. As you know, Mac works Monday through Friday from about 7:30 to 4:30. I sleep late, usually, and then stay busy all day--with thank you notes, cleaning, cooking, or visiting with Eva or in Malakoff. Then, when Mac comes in, I have supper ready, he bathes and shaves, we eat and then I do the dishes. Then, we watch television, go play tennis, go to Malakoff, to show, or have friends over. We are really enjoying this married life. We shay pretty close to home too.

Yesterday I went to Malakoff to do a little sewing and to help Joyce study for her nurse's test which she is to take again this weekend. Bill is going to take her to Austin for the test. About 2:00 that brother of mine drove up. He visited with us there and then came over here and had supper with us. I had a rice and shrimp(cream of shrimp soup) cassarole, english peas, lettuce and tomatoe salad with Italian dressing and chocolate pudding. After I did the dishes we went to the tennis courts and Don, the expert, beat us a few rounds. We really enjoyed visiting with him. He told us that he has to take Mommie to Houston next Monday. If he comes back through P.N. perhaps you can come back with him.

Mac and I don't know for sure when we will be coming to PN because we have to take care of things in Garland first. We went back last week and we have to go up there one more time for the final papers. The FHA had to run the papers through on him, too. So the papers will be on him and signed by both of us. After we sign the last papers, which may be this weekend, we will have the house within 15 days. So, we may be here another 3 weeks. We don't know for sure.

We are thinking of buying that airconditioner from the Poe's and will use the air conditioner you give us in our bedroom. Thank you so much. Let us know if you ~~cange~~ change your mind though, and if you find out anything on the refrigerator. We will decide how we will transport it when we know when we will be able to come.

Hope Dad is liking the airconditioning work. We sure want the strike to be over soon, as you do too, we imagine.

That's fine about Barbara Webb borrowing the roses. I would love to have her use the whole dress or train and/or crown. I'm going to write her and tell her that. I also invited Becky Latimer to use them.

I'm sure Auntie wrote you about the weekend. The Waddells came down for the rodeo and brought the slides. They are very good. I'M anxious for you to see them. He made about 150 of them.

Please call bank for me and ask what can be done to change car note to Mr. and Mrs. Billy Mac Ingram. Can they mail papers to us?

I will go mail this. Love you both,

Kim and Mac
