Dear Dad and Mother,

We received your letter yesterday and we very happy to hear from you, as always. I got the picture in Malakoff, Mother, and am going to send it to the Waddells, for them to perhaps use in the Dallas Morning News. I'm sending you a copy of the one in the Garland Paper. There was also a small write up in the Tyler paper. I guess Mama Wessie + Daddy Tom put that in.

Auntie is going to Dallas tomorrow and is going to borrow Joe's projector, so Mar + I hope to go to Tyler to

visit the folks there & show the slides of the wedding. They are so good. I'm anxious for you all to see them.

We still don't know what we'll do this weekend - maybe just stay here. Mac wants to go to a golf tournament in Palestine, so we may do that.

Hope you'll be coming up this weekend Mother, if not maybe we can get down to see you real soon.

I've been ironing & writing Thank You's. I need to go mail this & get groceries. We're going to have fried chicken and I'm going to bake a cherry pie.

We love you both & hope to see you soon. We love you,

Vic & Mac (one)

P.S. Uncle Joe's birthday is 29th - We may have them over for supper.

Mother — what is
Matilda's last name
& address.

Do you remember what the
Foster family gave me?
I found the card, but
don't remember gift.

I've written about ⅓
of my notes. It takes
a lot of time, but I
keep busy with it.

We love you —
Vic & Mac
