Dear Mother & Dad,

Mac & I are over at the Ingrams. We have all just finished supper. I'm sorry that I haven't written sooner, but we have really been busy. We made the trip fine, stopping about every 40 miles. We had little plastic left on when we got here. Jordan McLain put one of his tarpolins over the load Tues. night. We loaded the 3rd day on Tues. and then Wed. Eva & Daniel helped us load the Ingram chevrolate and move out of the apt. Then we went in the 2 cars & pickup to Dallas. We left the pickup loaded at the Waddells and unloaded everything else in their trailer & locked it. We made a day of it & really appreciated the help.

We (Mac Bill & I) are going to Garland tomorrow to sign the FINAL Papers — Finally. The Poes are going to move out Mon. & Tues. and we can start moving in Tues. afternoon. Then — my Faculty & school meeting start Wed. Mrs. Poe is going to pay for a maid to come Wed. & really clean the house. Mac & I plan to clean 1 room Tues. & move into it.

P.S. We're going to buy the air conditioner for $50

Isn't that something? We're moving just as those starts. Mama Powers got your card & we haven't unwrapped the mattress. We're going to Garland tomorrow, so we will undo it & sure hope it isn't ruined.

Mother & Dad, we surely do thank you for the furniture & for helping us load it. We really enjoyed our visit with you & got lots of rest.

Mac & I went to a breakfast for the Garland Classroom Teachers today & really enjoyed it. I took Mama Powers & Big Dad to town this afternoon.

We received 2 pink sheets from Ruby & Dunton & Gary & his wife. We're proud of them.

We'll be real busy next week but I'll try to write. Mac caught him 9 golf clubs. He says he'll be pro in 4 yrs.! We love you & are thinking of you.

Excuse stationery. It's packed somewhere!

Love Always,

Visit Mac

Mother & Dad -

I would like for you to try to sell my clarinet. I would like to get $75.00 for it. You can ask $50.00 for it. But Do Not Sell it for less than $40.00.

Advertise it in that little circular & be sure to give the brand name, it's a good one:

B flat LaMarque Clarinet
Good condition

You'all keep the money that is, spend it however you want to. It cost you $125, so try to get as much as you can for it.

Love, Sis
