Dear Friends and voting public,

I will make a last plea for you to consider the following reasons to cast your vote for Romney and against Obama.

- **MARRIAGE-** Liberals are trying to redefine marriage. This defies God, and any of you Democrats who have any belief in the Bible, know that people of the same sex cannot "marry". In Genesis, God created both Male and Female. They were created in God's image, both male and female. According to the Genesis story, Adam was created first and the Woman was created from Adam. Whether you take this literally or figuratively, it makes no difference if you believe that you were created and you were not just an accidental chemical arrangement that mysteriously evolved (with no higher power involved). I ask you the question???? Are males and females different? The answer is yes, very much so. Well, yes; there are times when nature produces an aberration and a true male or female does not result. But, generally speaking there is a definite difference between a male and a female. Ok, you say in the animal kingdom there are animals that may have both sexes; or, at times certain animals can change sexes. You say man or woman can do the same thing. Yes, but as of this writing you cannot change your chromosomes. Basically if you have **a Y**(on the sex chromosome), you are male and if you have **no Y**, you are a female. In the human, sex characteristics begin to manifest themselves at an early age. Regardless of what some people think, little boys and little girls are different.

  Oxford University Press defines marriage in the following manner:
  The formal union of a man and a woman, typically recognized by law, by which they become husband and wife: the state of being married: (in some jurisdictions) a formal union between partners of the same sex.

  2a combination or mixture of two or more elements: *a marriage of jazz, pop, blues, and gospel*

  (in pinochle and other card games) a combination of a king and queen of the same suit.

  IF YOU SEE THE ABOVE DEFINITION, OXFORD INDICATES IN "SOME JURISDICTIONS" SAME SEX MARRIAGE; BUT FOR THOUSANDS OF YEARS MARRIAGE HAS BEEN BETWEEN A "MAN" AND A "WOMAN". ACCORDING GOD'S LAW; MARRIAGE IS BETWEEN A MAN AND A WOMAN. Let's be very clear here, if two individuals of the same sex desire to be formally "united"; that is between them and God, but make no mistake, this is NOT MARRIAGE. Call it something else, but do not call it marriage. I appeal to Church leaders, regardless of your church affiliation, you know this is wrong. **TWO PEOPLE OF THE SAME SEX CAN NOT "MARRY".**

- **SUPREME COURT** You must vote against Barack Hussein Obama unless you want at least 2 more Supreme court justices that will be very liberal. Make no mistake, if Obama is reelected he will have the opportunity to appoint several very liberal judges

- **ABORTION-** What part of "thou shalt not kill" do you not understand? Mr. Obama has endorsed, the idea of giving the woman complete freedom over her own body. Yet, the bible says that God has that role. What about the rights of the baby? As soon as that egg is fertilized, cell division begins and it is a living being. God knows us before we are born. Now, with modern technology, we can view the baby at very early stages and realize that bundle of cells is alive.

- **OBAMA CARE**- If what Mr. Obama has done already hasn't broken the bank, Obama Care will. Do you really want the Government deciding your health care?

- **GOVERNMENT ASSISTANCE** Every day I witness people using their LONESTAR card to purchase their goods. Are all of these people really in need of government assistance? Or, are you and I paying for them to freeload? While in a Fiesta the other day, they had a place set up and were signing up people for food stamps. My question is two-fold: are they legal residents and if so are they really in need of assistance?

- **TRYING TO SEPARATE US** We should be "one nation under God, indivisible, with liberty and justice for all" Why are we trying to redistribute wealth? We all grew up having to live "without" when we did not have it; now, even the poorest, have T.V., cell phones, A.C., housing and anything they need. I have no problem with the truly needy, but there are many people out there that are taking Government handouts on our dime. With the current administration, the Government rolls will only increase. We need to put people to work so they can earn their own respectability.

- **SPENDING** We have a president who has spent, spent, spent. He calls it "bail-out" but; he gave 90 + billion dollars to solar and wind that is not "bail-out" We have a president who jets around the world, takes exotic vacations, all on your dime. Don't you find that problematic?

  IF THIS HAS NOT BEEN ENOUGH TO CONVINCE YOU, THEN YOU CAN NOT BE CONVINCED, BUT IF ONLY ONE OF YOU CHANGES THEIR MIND, I THANK GOD FOR YOU AND MAY YOU BE BLESSED!!

  MAY GOD CONTINUE TO BLESS AMERICA AND MAY AMERICA BLESS GOD

Ronald Reagan said, "Government is not the answer, Government is the problem!!"

IF YOU DO NOT VOTE; IT IS A VOTE FOR OBAMA

VOTE FOR ROMNEY; VOTE AGAINST OBAMA!!!.

IN GOD WE TRUST!!
